Questions? Please contact Debbie Higgins, events@carsonstrong.org, (330) 931-0291.

Founded in 2017, the Carson Higgins Memorial Foundation is a 501(c)(3) organization that enhances the quality of life for children facing cancer and other life challenges by funding programs that provide therapeutic, medical, and educational opportunities.

The programs we support are inspired by the interests and passions of Carson Gene Higgins, who courageously faced neuroblastoma, a pediatric cancer that affects the body's nervous system. While Carson's life was short, it was rich with faith, hope, love, and strength. His examples of kindness and generosity encourage us to live and love richly, to take each day as a gift, and to give generously.

With your help, we can bring hope to other families facing difficult and sometimes devastating life challenges.
